

## Invitation to Workshop 10-11 October 2019 in Malmö "Organizing Sick Leave Processes in Health Care"

We would like to invite you to a two-day workshop 10-11 October held at Malmö University. The workshop is planned around a project investigating the translation of national health care policy reforms into local settings. The aim of the workshop is to both theorize this process and to share practical knowledge of how it happens. We envision the workshop to be focusing on thinking and working together, rather than presenting papers.

Note that there will be no fees for registration, with food and drinks included (fika, lunch, dinner Thursday evening). You can participate both days only or one of the days.
